EDUCATION

- | | | |
|------|-------|-------------------------------------------------------------------------------------------------------------|
| 2001 | Ph.D. | University of Montana , College of Forestry and Conservation, Missoula, MT. (Forest Resource Policy) |
| 1991 | J.D. | Pennsylvania State University , Dickinson School of Law, Carlisle, PA. (Law) |
| 1988 | B.A. | Washington and Jefferson College , Washington, PA. (Biology and English) |

PROFESSIONAL EXPERIENCE

Founding Director, Center for Leadership in Global Sustainability, 2012-Current

Virginia Tech, National Capital Region, Arlington, VA

- Directs an interdisciplinary set of programs including graduate education, professional and executive education, research, and service learning projects in locations around the globe. Areas of emphasis include sustainable development, sustainable tourism, green infrastructure, institutional capacity building, and sustainability transitions.
- Administers more than 30 adjunct and professional faculty, more than 150 graduate students, and a \$2.5 million annual budget.
- Designed and implemented educational programs in Brazil, India, China, Argentina, Morocco, Turkey, Croatia, S. Africa, Indonesia, China, and United Arab Emirates; exposed more than 400 graduate students to education abroad.

Director, Natural Resources Programs, 2008-2012

Virginia Tech, National Capitol Region, Falls Church, VA

- Supervisor for graduate program operations, including 25 adjunct faculty, staff, more than 100 graduate students, and a \$1.0 million annual budget
- Administrative, teaching, and research responsibilities including program development & operation, budget planning & oversight, personnel hiring & performance evaluation, and research design & implementation

Director of Forest Policy, 2007-2008

Society of American Foresters, Bethesda, MD

- Responsible for forest-related policy analysis and policy advocacy
- Staff liaison for congressional affairs, federal legislation, federal agency initiatives, state-related policy development, and coalition building
- Regular interactions with congressional staff & federal agency leadership

Assistant Professor of Forest Law and Policy, 2001-2007

Faculty of Department of Forestry, Virginia Tech, Blacksburg, VA

- Research, teaching, and extension work in the areas of public forest management, forest policy development and implementation, private

forestland regulations and conservation, state and local government interactions, environmental conflicts, and natural resource law

Special Assistant Attorney General, 1998-2001

Montana Department of Natural Resources and Conservation, Missoula, MT

- Practice included litigation and advising with an emphasis in natural resource issues, including state land-use management, water quality enforcement, and wildfire mitigation and recovery across 5 million acres of state lands and another 6 million acres of private forest land
- Member of the agency management teams responsible for the development and implementation of resource policies affecting old-growth forests, threatened and endangered species, sustainable forestry practices, and the state timber program

Forest Policy Analyst, 1999-2001

Bureau of Business and Economic Research, University of Montana, Missoula, MT

- Research, writing, and editing in the areas of forest health, forest management, and forest products in both state and federal settings

Attorney-at-Law, 1991-1996

Sole practitioner, Pittsburgh, PA

- Specialty in Indian Gaming and Video Gambling Law
